Minnesota Adult and Teen Challenge coming to Mankato

Organization is searching for a location

MANKATO, Minn (June 22, 2023) – Minnesota Adult & Teen Challenge (MnTC) announced today the organization is searching for a Mankato location for the faith-based, residential drug and alcohol treatment program.

“We’ve heard from the Mankato community that there is a strong need for a faith-based facility like ours that brings hope and healing to people impacted by substance abuse,” said Tom Truszinski, CEO of Minnesota Adult and Teen Challenge.

MnTC had initially identified a location at Our Lady of Good Counsel (170 Good Counsel Dr.) but is now exploring alternative options after concerns were raised about its proximity to Loyola Catholic School.

“Thanks to the hard work and generosity of Glen Taylor (Taylor Corporation) and John Roise (Lindsay Windows) we are working to find a location so that we can introduce this much-needed facility to the Mankato community.”

About Minnesota Adult and Teen Challenge

Minnesota Adult & Teen Challenge (MnTC) is a drug and alcohol treatment and recovery program that has been in operation since 1983. With 14 locations throughout the state, MnTC offers a full range of services including a long-term recovery program, a short-term intensive treatment program, community-based outpatient groups, as well as extensive aftercare and alumni services for long term sobriety.
